ATTENTION:

Dear Sir:

RE: WAL-MART DEERFOOT MEADOWS – STORE NO. 1089

As you are aware, this store has been open for several months now and by all accounts, everyone is extremely happy with the project. We wish to take this opportunity to thank those people who were critical in helping us achieve this turnover. As always, our project people have identified you as one of the companies that quite frankly did anything and everything we always asked and executed it in a very professional fashion. This was very much appreciated and we continue to look forward to many jobs in the future.

Yours truly,

WRGHT CONSTRUCTION WESTERN INC.

Lorne Wright
