Dear Mr. Knight:

Re: Jones Residence – 26 Riverside Crescent

We would like to take this opportunity to thank you and your team for your contributions in the construction of our home.

It was a pleasure to work with professional contractors who operate with integrity and who take pride in completing projects timely and to the high standards of quality demonstrated. Your commitment to the project ensured that no exceptions were made and the project was a great success. Please express our appreciation to your crews for the time and commitment they contributed to this project.

This endeavor was a long and detailed process that required dedication from everyone involved and your participation made it a pleasurable experience.

Thank you,
